

SIDING & FENCE

PREMIUM QUALITY
EXTERIOR STAIN

Showcases Wood Texture & Grain
Excellent Weather Resistance
Self-Priming
Water Clean-Up

Solid Color & Semi-Transparent

Siding & Fence Stain is a premium quality waterborne stain that provides outstanding hide, superior UV protection, and excellent moisture resistance to exterior wood surfaces while preserving their natural wood texture and grain. This advanced formula is self-priming and can seal new wood surfaces.

Perfect for wood siding, fences, shingles, and other vertical wood surfaces.

Available in Solid Color or Semi-Transparent finishes with a wide range of color options.
