1. Identification

Product identifier: 20010 Southwest Select PVA Primer Interior
Other means of identification:
  Product code: 20010
  Recommended use: Architectural Coating / Primer.
  Recommended restrictions: None known.

Manufacturer/Importer/Supplier/Distributor information:
  Company name: Kelly-Moore Paint Co., Inc.
  Address: 987 Commercial St., San Carlos, CA 94070
  Telephone: 1-800-874-4436
  E-mail: TAlvarez@kellymoore.com
  Contact person: Tiffany Alvarez Gonda
  Emergency phone number: CHEMTREC: 1-800-424-9300

2. Hazard(s) identification

Physical hazards: Not classified.
Health hazards: Not classified.
OSHA defined hazards: Not classified.

Label elements:
  Hazard symbol: None.
  Signal word: None.
  Hazard statement: The mixture does not meet the criteria for classification.
  Precautionary statement:
    Prevention: Observe good industrial hygiene practices.
    Response: Wash hands after handling.
    Storage: Store away from incompatible materials.
    Disposal: Dispose of waste and residues in accordance with local authority requirements.

Hazard(s) not otherwise classified (HNOC): None known.
Supplemental information: None.

3. Composition/information on ingredients

Mixtures:
The manufacturer lists no ingredients as hazardous to health according to OSHA 29 CFR 1910.1200.

4. First-aid measures

Inhalation: Move to fresh air. Call a physician if symptoms develop or persist.
Skin contact: Wash off with soap and water. Get medical attention if irritation develops and persists.
Eye contact: Rinse with water. Get medical attention if irritation develops and persists.
Ingestion: Rinse mouth. Get medical attention if symptoms occur.
Most important symptoms/effects, acute and delayed: Direct contact with eyes may cause temporary irritation.
Indication of immediate medical attention and special treatment needed: Treat symptomatically.
General information: Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves.
5. Fire-fighting measures

| Suitable extinguishing media | Water fog. Foam. Dry chemical powder. Carbon dioxide (CO2). |
| Unsuitable extinguishing media | Do not use water jet as an extinguisher, as this will spread the fire. |
| Specific hazards arising from the chemical | During fire, gases hazardous to health may be formed. |
| Special protective equipment and precautions for firefighters | Self-contained breathing apparatus and full protective clothing must be worn in case of fire. |
| Fire fighting equipment/instructions | Move containers from fire area if you can do so without risk. |
| Specific methods | Use standard firefighting procedures and consider the hazards of other involved materials. |
| General fire hazards | No unusual fire or explosion hazards noted. |

6. Accidental release measures

| Personal precautions, protective equipment and emergency procedures | Keep unnecessary personnel away. For personal protection, see section 8 of the SDS. |
| Methods and materials for containment and cleaning up | Large Spills: Stop the flow of material, if this is without risk. Dike the spilled material, where this is possible. Cover with plastic sheet to prevent spreading. Absorb in vermiculite, dry sand or earth and place into containers. Following product recovery, flush area with water. |
| | Small Spills: Wipe up with absorbent material (e.g. cloth, fleece). Clean surface thoroughly to remove residual contamination. |
| Environmental precautions | Never return spills to original containers for re-use. For waste disposal, see section 13 of the SDS. |

7. Handling and storage

| Precautions for safe handling | Avoid prolonged exposure. Observe good industrial hygiene practices. |
| Conditions for safe storage, including any incompatibilities | Store in original tightly closed container. Store away from incompatible materials (see Section 10 of the SDS). |

8. Exposure controls/personal protection

| Occupational exposure limits | No exposure limits noted for ingredient(s). |
| Biological limit values | No biological exposure limits noted for the ingredient(s). |
| Appropriate engineering controls | Good general ventilation (typically 10 air changes per hour) should be used. Ventilation rates should be matched to conditions. If applicable, use process enclosures, local exhaust ventilation, or other engineering controls to maintain airborne levels below recommended exposure limits. If exposure limits have not been established, maintain airborne levels to an acceptable level. |

| Individual protection measures, such as personal protective equipment | Use safety glasses, goggles, or face shield to protect eyes. |
| Skin protection | Wear appropriate chemical resistant gloves. Suitable gloves can be recommended by the glove supplier. |
| Hand protection | Wear suitable protective clothing. |
| Respiratory protection | In case of insufficient ventilation, wear suitable respiratory equipment. |
| Thermal hazards | Wear appropriate thermal protective clothing, when necessary. |
| General hygiene considerations | Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing and protective equipment to remove contaminants. |

9. Physical and chemical properties

| Appearance | Milky white to colored liquid. |
| Physical state | Liquid. |
| Form | Liquid. |
| Color | Various. |
| Odor | Slightly ammoniacal. |
Odor threshold          Not available.
pH                     7 - 10
Melting point/freezing point          Not available.
Initial boiling point and boiling range          Not available.
Flash point          Not available.
Evaporation rate          < 1 (n-BuAc=1)
Flammability (solid, gas)          Not applicable.
Upper/lower flammability or explosive limits
   Flammability limit - lower (%)          Not available.
   Flammability limit - upper (%)          Not available.
   Explosive limit - lower (%)          Not available.
   Explosive limit - upper (%)          Not available.
Vapor pressure          Not available.
Vapor density          > 1 (Air=1)
Relative density          Not available.
Solubility(ies)          Not available.
   Solubility (water)          Moderately soluble
Partition coefficient (n-octanol/water)          Not available.
Auto-ignition temperature          Not available.
Decomposition temperature          Not available.
Viscosity          Not available.
Other information          Not available.
   Explosive properties          Not explosive.
   Oxidizing properties          Not oxidizing.
   VOC          42.52 g/L

10. Stability and reactivity
Reactivity Chemical stability Possibility of hazardous reactions
The product is stable and non-reactive under normal conditions of use, storage and transport.
Material is stable under normal conditions.
No dangerous reaction known under conditions of normal use.
Conditions to avoid Contact with incompatible materials.
Incompatible materials Acids. Fluorine.
Hazardous decomposition products Carbon oxides. Metal oxides.

11. Toxicological information
Information on likely routes of exposure
   Inhalation          Prolonged inhalation may be harmful.
   Skin contact          No adverse effects due to skin contact are expected.
   Eye contact Direct contact with eyes may cause temporary irritation.
   Ingestion Expected to be a low ingestion hazard.
Symptoms related to the physical, chemical and toxicological characteristics
   Direct contact with eyes may cause temporary irritation.
Information on toxicological effects
Acute toxicity          Not available.
Skin corrosion/irritation Prolonged skin contact may cause temporary irritation.
Serious eye damage/eye irritation
Respiratory or skin sensitization
  Respiratory sensitization
  Skin sensitization
Germ cell mutagenicity
Carcinogenicity
  Inhalation of titanium dioxide dust may cause cancer, however due to the physical form of the product, inhalation of dust is not likely. Inhalation of quartz dust may cause cancer, however due to the physical form of the product, inhalation of dust is not likely.
IARC Monographs. Overall Evaluation of Carcinogenicity
  Not listed.
NTP Report on Carcinogens
  Not listed.
OSHA Specifically Regulated Substances (29 CFR 1910.1001-1053)
  Not listed.
Reproductive toxicity
  This product is not expected to cause reproductive or developmental effects.
Specific target organ toxicity - single exposure
  Not classified.
Specific target organ toxicity - repeated exposure
  Not classified.
Aspiration hazard
  Not an aspiration hazard.
Chronic effects
  Prolonged inhalation may be harmful. Prolonged exposure may cause chronic effects.
Further information
  This product has no known adverse effect on human health.
12. Ecological information
Ecotoxicity
  The product is not classified as environmentally hazardous. However, this does not exclude the possibility that large or frequent spills can have a harmful or damaging effect on the environment.
Persistence and degradability
  No data is available on the degradability of this product.
Bioaccumulative potential
  No data available.
Mobility in soil
  This product is moderately water soluble and may disperse in soil.
Other adverse effects
  None known.
13. Disposal considerations
Disposal instructions
  Collect and reclaim or dispose in sealed containers at licensed waste disposal site.
Local disposal regulations
  Dispose in accordance with all applicable regulations.
Hazardous waste code
  The waste code should be assigned in discussion between the user, the producer and the waste disposal company.
Waste from residues / unused products
  Dispose of in accordance with local regulations. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe manner (see: Disposal instructions).
Contaminated packaging
  Since emptied containers may retain product residue, follow label warnings even after container is emptied. Empty containers should be taken to an approved waste handling site for recycling or disposal.
14. Transport information
DOT
  Not regulated as dangerous goods.
IATA
  Not regulated as dangerous goods.
IMDG
  Not regulated as dangerous goods.
Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code
  Not established.
15. Regulatory information

US federal regulations

This product is not known to be a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)
Not regulated.
CERCLA Hazardous Substance List (40 CFR 302.4)
Not listed.
SARA 304 Emergency release notification
Not regulated.
OSHA Specifically Regulated Substances (29 CFR 1910.1001-1053)
Not listed.

Toxic Substances Control Act (TSCA)
All components on the TSCA 8(b) inventory are designated "active" or are exempt from reporting under the Inventory Update Rule.

Superfund Amendments and Reauthorization Act of 1986 (SARA)
SARA 302 Extremely hazardous substance
Not listed.
SARA 311/312 Hazardous chemical
No
SARA 313 (TRI reporting)
Not regulated.

Other federal regulations

Clean Air Act (CAA) Section 112 Hazardous Air Pollutants (HAPs) List
Not regulated.
Clean Air Act (CAA) Section 112(r) Accidental Release Prevention (40 CFR 68.130)
Not regulated.
Safe Drinking Water Act (SDWA)
Not regulated.

US state regulations

US. Massachusetts RTK - Substance List
Not regulated.
US. New Jersey Worker and Community Right-to-Know Act
Not listed.
US. Pennsylvania Worker and Community Right-to-Know Law
Not listed.
US. Rhode Island RTK
Not regulated.

California Proposition 65
California Safe Drinking Water and Toxic Enforcement Act of 2016 (Proposition 65): This material is not known to contain any chemicals currently listed as carcinogens or reproductive toxins. For more information go to www.P65Warnings.ca.gov.

International Inventories

Country(s) or region Inventory name On inventory (yes/no)*
United States & Puerto Rico Toxic Substances Control Act (TSCA) Inventory Yes

*A "Yes" indicates this product complies with the inventory requirements administered by the governing country(s). A "No" indicates that one or more components of the product are not listed or exempt from listing on the inventory administered by the governing country(s).

16. Other information, including date of preparation or last revision

Issue date 27-September-2019
Revision date -
Version # 01
HMIS® ratings Health: 1
Flammability: 1
Physical hazard: 0
