Elegant Durability

Super-premium 100% acrylic enamels designed for use on walls, trim, and accents where a durable and washable epoxy-like finish is desired.
DuraPoxy is a line of super-premium interior enamels designed for use on walls, trim, and accents where a durable and washable epoxy-like finish is desired. Created with a 100% acrylic resin and a stain and mildew resistant formula that can hold up to repeated washing.

DuraPoxy is ideal for high traffic areas, hallways, kitchens, and bathroom along with a wide variety of other residential and commercial applications. DuraPoxy can be used on drywall, plaster, masonry, metal, wood, and hardboard.

Available in matte, eggshell, satin, semi-gloss, and gloss finishes with a full range of color options.

Resin Type: 100% Acrylic Resin
